Re: Online Certificate Service

The Park Gate Condominium Association's Master Insurance provides property insurance for the Association's buildings, property and residential buildings. Insurance is provided by Jacobson, Goldfarb and Scott. They are pleased to offer a new online service to all unit owners. The online system is quick and easy, allowing the Certificate to be issued and emailed within a few minutes.

The website address is as follows:

If you prefer, you can still forward certificate requests to the JGS office for them to process. Please note that they could take up to 3 business days to be completed, due to the volume of requests that they receive. If you wish to send the requests, the contact information is below:
